WELCOME TO OUR 2019 EDITORIAL CALENDAR FOR C&EN

C&EN reaches an unparalleled audience: 150,000 American Chemical Society members rely on C&EN to convey new information that helps chemists at the bench, with a speed and relevance that makes C&EN among ACS's most important products and services.

In every issue of C&EN, you can find short-form and long-form journalism encompassing the science, politics, education, and business of the global chemical enterprise. Here, in our calendar, get a bird's-eye view of each week's focus, relevant industries, and bonus distribution.

PLUS EXCLUSIVE AD OPPORTUNITIES

- ✓ Special email newsletters and native advertising units
- ✓ C&EN's Stereo Chemistry podcast advertising
- ✓ Cross-platform promotion with ACS Journals

The best way to learn more is to get in touch! We can walk you through the content in every issue, from our widely popular Newsreports section chronicling the lighter side of chemistry, to our business profiles of companies making their mark.
